## Yesterday's Imagine If... You Were in Outerspace!!

Camp Simcha Special is OUT OF THIS WORLD!!

Yesterday Camp Simcha Special was out of this world!! Yesterday's theme was Imagine If...You were in outerspace! It was so cool to imagine what life would be like if we all lived in outer space. Everyone would agree that the highlight of the day were the helicopter rides. Campers were able to go up, up, up, and away! The Chumee- Chums were the first ones to ride in the helicopter!

Campers were able to see the whole camp from up in the sky. The view is definitely different from all the way up there! Everything looked so tiny. Even though it was a fantastic ride, it was also great to come back down and enjoy the rest of the day.

In addition to the helicopter rides, campers were able to enjoy their first day of activities! Workshops began and were filled with fun and enthusiasm. From woodworking, to scrapbooking (which **Shira** really enjoyed!) to speed boating in the lake, the energy and Ruach were felt everywhere. **Elishava W.** made a really beautiful candle at candle making, **Sarah Z** made a gorgeous bowl in pottery, and so many campers

made ice cream sandwiches (flying saucers!) in Sweet Shop. **Henny** got a candle as a prize because she named something in the candle workshop! **Rebecca N.** and **Franny C.** even surprised their counselors with a water fight! What an excellent way to cool off on a hot day! **Chaya Malka, Esti, and Malki** even participated in a kumzitz! The special activity of the day was a moon bounce and laser tag! Everyone had such a great time doing all of the activities.

Night activity soon followed the day's many events. Everyone went into the Social Hall and sat anxiously awaiting the surprise night activity. The room turned into a dancing and singing spectacular from the first second that Avraham Fried appeared on stage. It was so much fun to hear Avraham Fried sing all of our favorite songs- especially the Camp Simcha songs! Campers enjoyed singing on stage and taking pictures with the amazing singer! May the Bracha that Avraham Fried gave us come true B'Mheira B'Yamainu- we should all be zoche to see Moshiach appear in Camp Simcha Special this summer!
